

The map displays a vast network of streets in Barcelona, with labels for major thoroughfares such as Via de Cintura, Avinguda de Catalunya, Avinguda de Diagonal, and Avinguda de Meridiana. It also shows numerous smaller streets and squares, many of which are named after historical figures or events. Key landmarks and public facilities are marked with icons, including the Palau Municipal, Estadi Lluís Companys, Estadi de Futbol, and various hospitals and schools. The map is color-coded to distinguish between different types of roads and areas, with yellow highlighting major roads and green indicating parks and green spaces. A large black rectangle is overlaid on the right side of the map, covering the area from the center to the right edge, and from the middle to the bottom.
